Insert photo – hand write description of person especially if they do not give consent

Photography/video consent form for Get Up and Show Your Talent

Leicester City Council's **Early Help** team are producing the online talent showcase: Get Up and Show as part of their Get Up and Go activity schedule. Participants enter the showcase by submitting photos/videos of their talent to the team.

These images may appear in our internal and external printed publications or be used on our website and social media channels, on other people's websites and in their publications. We may also send them to the news media. More details on how the council uses your personal information can be found in our Privacy Notice (or search for privacy notice at leicester.gov.uk)

In order to use images that feature you we need your permission.

Please look at the list below and tick the type of use boxes that you give permission for:

☐ General internal council publicity material
☐ General external council publicity material
☐ For distribution by the council to local and national news media
☐ For distribution by the council to partner organisation's (including but not limited to the local NHS) promotional materials
☐ For use by the council on websites and social media such as Facebook, Twitter, Instagram, You Tube and Snapchat - I understand that data (aka images/video) published on social media platforms may be transferred between servers based in the European Union, United States and other territories.
☐ Other (please give details) .....
*please note that once items are published and/or printed they will be available for public view for many years

I consent to the request described above. I understand what the images/video will be used for. Should the images/video be required for other purposes I will be contacted and requested to give consent again.
