

# Holiday Activities and Food Programme Summer 2022

Children and young people who receive benefits related free school meals can take part in our free holiday activities and food (HAF) programme over the summer holiday

The sessions will include a variety of activities, such as art, sport and music and a healthy meal will be provided each day your child attends.

The HAF programmes will take place across the week(s) indicated below. Days, times and age ranges differ by programme - please consider this when registering. Programmes indicated with \* are only available to children who attend a specific school.

You can register for up to four weeks of programmes and when applying, you are registering for the whole programme week and not individual days.

Places are limited and will be allocated on a first come first served basis following confirmation of free school meal eligibility. To view the programme information, criteria and how to register for a place visit:
