

## Element 3 top up funding (E3)

### What is top up funding?

|                                                                                     |                                                                                     |
|-------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------|
|    | <p>E3 top-up funding is extra money for schools in Leicester City.</p>              |
|    | <p>It adds to the money schools already get to support children with SEND.</p>      |
|   | <p>It helps children who need more support with their learning.</p>                 |
|  | <p>It is for children who do not have an Education, Health and Care Plan (EHCP)</p> |
|  | <p>The amount given is the same as for children who do have an EHCP.</p>            |
